OUR COMPANY

Asian Group of Companies is a leading name in the steel industry with its specialization being manufacturing Black & Galvanized ERW pipes, Square & Rectangular hollow sections, Cold Rolled and Galvanized Coils and Corrugated Sheets. Under the dynamic and pragmatic leadership of the promoters; Shri O.P. Agarwal and Shri B.L. Agarwal, it has been a commendable journey of achievement and accolades for the group in a very short span of time.

Since its inception in 1985, Asian has endeavoured to move past customer satisfaction to customer delight. This constant drive to deliver best quality and service to all its patrons has enabled Asian to acquire some of the most stringent and prestigious certifications, approvals like ISO (Indian Standard Organisation) & EIL (Engineers India Limited).

The Group's core value revolves around quality – not just quality but consistent quality. Strict adherence to the policy of "No Compromise on Quality" is demonstrated in our stringent control over procurement of raw materials, production process, streamlined distribution channels and timely delivery of finished products. Asian group's client footprint practically spans the entire globe covering continents of America, Europe, Africa, Asia and the Middle East.

The Group constantly strives to break new ground in the areas of environment friendly production techniques, innovative management practices and alliance relationships. Every individual in Asian is ever ready to go the extra mile to ensure that no efforts are spared to ascertain a **totally satisfied clientele**.

LEGACY OF STRENGTH

Founded in 1985, Asian Steels has grown from a regional pipe mill into one of India's most trusted producers of Carbon-Steel Pipes, GP/GC Coils & Sheets, and Submerged Arc-Welded (SAW) pipes. Today we serve 1,200+ customers across infrastructure, fabrication, oil & gas, agriculture and EPC sectors on five continents.

- **Integrated Manufacturing Campus** > 3,00,000 m² with ERW, CR, GP/GC, and SAW lines.
- **Certified** ISO 9001 · 14001 · 45001; Bureau of Indian Standards; PED/CE ready.
- **Capacity:** 3,00,000 TPA Pipes & Tubes | 120 000 TPA Coils & Sheets.
- **People:** 600+ trained professionals, in-house R&D Metallurgists, NABL-accredited quality lab.

OUR VISION

To build permanent delighted relations by providing quality services and to be the first and only choice of customers.

OUR MISSION

At our company, we are committed to manufacturing high-quality steel pipes and tubes that not only meet but exceed industry standards, while also providing exceptional customer service and promoting sustainability in all aspects of our operations

OUR VALUES

- Competitive Price
- Consistent Quality
- Flexible & Experienced Team
- Timely Delivery
- Extensive Network
- Readily Available Range of Inventory

OUR STATE-OF-ART FACILITIES

Asian group has set up two ERW/HFIW pipes' manufacturing units, namely M/s Asian Tubes Private Limited, at Ankhol Village, Taluka: Kadi, Dist: Mehsana, Gujarat and M/s Asian Mills Private Limited, at Chhatral, Dist: Gandhinagar, Gujarat, having state of art pipes' manufacturing and testing facilities, with combined ERW/HFIW pipe range of 15mm to 500mm NB. These pipe units also has wide range of square & rectangular hollow sections. Asian group also successfully ventured into the CR Coils and galvanised sheet / corrugated galvanised sheet manufacturing activities at Chhatral, Gujarat. Today our focus and vision is primarily on the production of the highest quality steel products for our customers. Recently, we have launched another unit as M/s Narmada Tubes Private Limited (NTPL). With addition of this spiral pipe plant in the Asian Group, now the Asian group has India's one of the widest pipes' manufacturing range of 15mm to 2540mm dia, under one umbrella.

The spiral unit of M/s NTPL has under gone revamping / overhauling on war footing and has already done successful production of bigger dia pipes up to 2540 mm OD x 20.0 mm THK as per IS 3589.

ASIAN GROUP

Asian Tubes Pvt. Ltd.

- ERW Tubes from 1/2" to 10" inches
- Square and Rectangular Hollow Sections
- Scaffolding Pipes
- Galvanized Water and Gas Pipes
- Pre-Galvanized Tubes from 1/2" to 4", Round & Hollow Sections

Asian Mills Pvt. Ltd.

- ERW Black Pipes from 1/2" to 20" inches
- ASTM A53 Pipes
- Round & Hollow Sections

Asian Tubes Ltd. (CR Division)

- Cold Rolled Coils
- Cold Rolled Cold Annealed / Cold Rolled Full Head Coils / Sheets
- Hot Rolled Pickled Oiled Coils / Sheets
- Hot Rolled Gauge Corrected Coils
- GP Coils and Sheets

Narmada Tubes Private Ltd.

- Spiral Saw Pipes:
- From OD 450 mm to 2540 mm
- Thickness 4 mm to 25 mm

GLOBAL FOOTPRINT

20+

Countries

3

Continents

100 %

On-Time Exports

Dedicated export desk handles LC/TT, third-party inspection, SGS/BV Certification, Multimodal Logistics from Mundra & Nhava Sheva ports.

MANUFACTURING EDGE

- **High-Frequency Induction Welding (HFIW)** lines for precise, burr-free seams.
- **Continuous Galvanizing Unit** with automated zinc-pot control—uniform coating ≥ 120 gsm.
- **State-of-the-art SAW Mill** offers single & double-joint pipes up to 25 mm wall thickness.
- **Eco-Efficiency:** Rainwater harvesting, 30 % power from solar rooftop, Zero Liquid Discharge.

QUALITY YOU CAN MEASURE

- **100 % Raw-Material Traceability:** Prime HR Coil from top-tier mills only.
- **In-Line NDT:** UT, Eddy-Current & Hydrostatic testing on every pipe batch.
- **Mechanical & Chemical Labs:** Spectrometer, UTM, impact, bend & flattening tests.
- **Third-Party Inspection Friendly:** SGS, BV, Lloyd's, TPIA routinely approved.

OUR PRODUCTS SPECIFICATION

ERW Square and Round Pipes (Black)

Sizes (IN)	Thickness (MM)
1/2" - 20"	0.6 - 11
15X15 - 225X225	0.6 - 9.5
40X20 - 300X150	0.6 - 9.5

Grade (Max grade 5) and Length as per requirement

ERW Square and Round Pipes (GP)

Sizes (IN)	Thickness (MM)
1/2" - 3"	0.8 - 2.5
15X15 - 72X72	0.8 - 2.5
40X20 - 100X50	0.8 - 2.5

GSM and Length as per requirement

ERW Square and Round Pipes (GI)

Sizes (IN)	Thickness (MM)
1/2" - 8"	0.6 - 8
15X15 - 132X132	0.6 - 8
40X20 - 172X92	0.6 - 8

Grade (Max grade 4) and Length as per requirement

CR & GP

Type	Thickness (MM)	Width	Form
CR	0.2 - 2.0	Upto 1250	Coil/Slit/CTL
GP	0.15-2.0	Upto 1250	Coil/Slit/CTL

Grade & GSM as per requirement

Submerged Arc Welded (SAW) Pipes

Sizes (IN)	Thickness (MM)	Length (MTR)
18" - 100"	5 - 25	6 - 12

Grade as per requirement

Speciality Purpose Pipes

Sizes (IN)	Thickness (MM)
1/2" - 3"	0.8 - 2.5
15X15 - 72X72	0.8 - 2.5
40X20 - 100X50	0.8 - 2.5

GSM and Length as per requirement

We also offer pipes for speciality purposes like Solar and Greenhouse, having coatings of 60 & 80 microns. Coatings of Enamel, Zinc Oxide, Powder, Epoxy and Guniting can also be done as per customer specific requests.

OUR VALUABLE CUSTOMERS

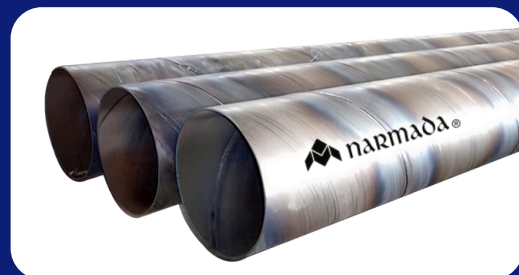

WHY PARTNER WITH US ?

- **One-Stop Portfolio:** Pipes, Coils, sheets under one roof.
- **Global Compliance:** ASTM, EN, JIS, IS.
- **Agile Logistics:** Proximity to two major Indian ports, in-house container stuffing.
- **Custom Engineering:** Thickness, Length, Coating, Packaging, Private Labeling.
- **Relationship-Driven:** Dedicated account manager, 24-hour tech support.
